

ISH – TSH SCHOOL of HEMATOLOGY
Benign Hematological Disorders
Antalya – Turkey

Dates : **Friday – Saturday – Sunday**
22 – 23 and 24 December 2017

Faculty :

1. **Miguel Abboud (Lebanon)***
2. Sema Anak (Turkey)
3. Cem Ar (Turkey)
4. Yeşim Aydınok (Turkey)
5. Yahya Büyükaşık (Turkey)
6. Reyhan Diz-Küçükkaya (Turkey)
7. **Amal El-Beshlawy (Egypt)***
8. Fatma Gümrük (Turkey)
9. **Chaim Hershko (Israel) ***
10. Emin Kansu (Turkey)
11. Kaan Kavaklı (Turkey)
12. Gül Nihal Özdemir (Turkey)
13. Duygu Uçkan (Turkey)
14. Şule Ünal (Turkey)
15. Elif Uğur Ümit (Turkey)
16. Elif Ünal İnce (Turkey)
17. Ayşegül Üner (Turkey)
18. Ayşegül Ünüvar (Turkey)

(*) Invited Speakers :

Miguel Abboud (Beirut, Lebanon)
Amal El-Beshlawy (Cairo, Egypt)
Chaim Hershko (Jerusalem, Israel)

Provisional Program

1st Day Friday 22 December 2017

08:30 – 08:45 Opening Remarks

Sabri Kemahli

Secretary – General, ISH-EAD

Coordinator, ISH-TSH School of Hematology

Muzaffer Demir

President of Turkish Society of Hematology (TSH)

Coordinator, ISH-TSH School of Hematology

Session – I : Hemoglobinopathies

08:45 – 09:10

Current Perspectives on Hematopoiesis and Hematopoietic Stem Cells

Emin Kansu (Turkey)

09:15 – 09:40

New insights on Iron Metabolism and Iron Deficiency Anemia

Chaim Hershko (Israel)

09:45 – 10:10

Iron Overload in Thalassemias : Pathophysiology and Treatment

Fatma Gümrük (Turkey)

10:15 – 10:40

The screening programs and pre-natal diagnosis of

Hemoglobinopathies : Where are we in the region ?
Yeşim Aydınok (Turkey)

10:45 – 11:05 Coffee Break

11:05 – 11:30

Thalassemia traits difficult to diagnose and the significance
in marital screenings
Şule Ünal (Turkey)

11:35 – 11:50

New therapeutic approaches in Thalassemias
Amal El-Beshlawy (Egypt)

11:55 – 12:25

New science underlying potential treatment approaches for
Sickle Cell Anemia
Miguel Abboud, M.D. (Lebanon)

12:30 – 13:30 Lunch

Session – II : Hemostasis- Thrombosis and Storage Diseases

13:30 – 14:00

Microangiopathic Hemolytic Anemias (MAHAs) : Differential diagnosis and management

Elif Uğur Ümit (Turkey)

14:05 – 14:35

Emerging therapeutic options and strategies in hemophilia:
Novel factor concentrates

Kaan Kavaklı (Turkey)

14:40 – 15:10

Risk factors and clinical management of inhibitor development in Hemophilia

Ayşegül Ünüvar (Turkey)

15:15 – 15:45

Hematologic Manifestations and Complications of Gaucher Disease

Gül Nihal Özdemir (Turkey)

15:50 – 16:20 Coffee Break

16:20 – 16:50

Disseminated Intravascular Coagulation (DIC)

Cem Ar (Turkey)

16:55 – 17:25

When and whom to screen for Hereditary Thrombophilia ?

Reyhan Diz – Küçükkaya (Turkey)

17:30 – 18:00

Meet the Expert Session :

Diagnostic challenges in patients with undiagnosed bleeding problems

Reyhan Diz – Küçükkaya (Turkey) / Muzaffer Demir (Turkey)

18:00 – 18:30

General Discussion

2nd Day , Saturday 23 December 2017

Session – III : Anemia and Bone Marrow Failure

09:00 – 09:25

Acquired Aplastic Anemia
Yahya Büyükaşık (Turkey)

09:30 – 09:55

Congenital Dyserythropoietic Anemias (CDA) : Diagnosis
and treatment
Elif Ünal İnce (Turkey)

10:00 – 10:45

Case Discussions

Ayşegül Üner (Turkey)

Difficult clinical cases to be presented with hematopathologic
discussions

10: 45 – 11:05 Coffee Break

11:05 – 11:30

Clinical and laboratory findings suggestive of hereditary
bone marrow failures

Şule Ünal (Turkey)

11:35 – 12:00

Stem Cell Transplantation in Fanconi's Anemia

Duygu Uçkan (Turkey)

12:00 – 13.00 Lunch

13.00 – 13:45

Meet the Expert Session :

Long-term follow-up of pediatric stem cell transplant patients

Sema Anak (Turkey)

13:45 – 14:00

General Discussion

14:00 – 14.15

Evaluation of the Scientific Program

14:00 – 14.15

Certificates to the Attendees

14.15 – 14.30

Closing Remarks by

Muzaffer Demir (TSH) and Emin Kansu (ISH)

3rd Day Sunday 24 December 2017

Departures from the hotel
