# The only official 2023 Highlights of ASH<sup>®</sup> IN THE MEDITERRANEAN ISTANBUL, TURKEY FEBRUARY 17-18

Network with your colleagues and the world's top hematologists, hear the most important research updates from the 2022 ASH Annual Meeting and Exhibition, and learn how this science can translate into improved patient management and care strategies in your practice.

Don't miss your chance to hear a distillation of the newest discoveries and analysis from top experts in malignant and classical hematology, as they discuss research that is moving the field forward.

For the latest updates, visit  
[www.hematology.org/highlights](http://www.hematology.org/highlights)

*ASH is continuously re-assessing the status of our upcoming meetings in light of the COVID-19 global health crisis. We encourage you to monitor our Highlights of ASH webpage to stay abreast of the latest updates.*
